ASSIGNMENT AND AGREEMENT

For value received, we, **Erik C. Houge** of **Orlando** in the County of **Orange** and State of **Florida**; **Brian W. Kempshall** of **Casselberry** in the County of **Seminole** and State of **Florida**; **Stephen M. Schwarz** of **Merritt Island** in the County of **Brevard** and State of **Florida**; and **Fred A. Stevie** of **Cary** in the County of **Wake** and State of **North Carolina**, hereby sell, assign and transfer to **Agere Systems Inc.**, a corporation of the State of Delaware, having an office at 1110 American Parkway NE, Allentown, PA 18109, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **In-Line Orientation Metrology Via Ion Channeling Contrast**, described in a provisional application for Letters Patent of the United States, Application No. **60/359,222**, filed **February 22, 2002**, and **Crystallographic Metrology And Process Control**, described in a PCT application filed on **February 24, 2003** in the U.S. Receiving Office as International Application No. **PCT/US03/07264** and all the rights and privileges in said applications and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **Agere Systems Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **Agere Systems Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Agere Systems Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **Agere Systems, Inc.** in the United States and in all countries foreign to the United States, or to such nominees as **Agere Systems Inc.** may designate.

We agree that, when requested, we shall, without charge to Agere Systems Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
